Tafelverzeichnis
List of Plates
Table des planches
Indice delle tavole

Le tome VIII du *LIMC*, le dernier avant les *Indices*, paraît aujourd'hui avec une richesse d'illustrations dépassant nettement celle des volumes précédents (824 planches, 5328 photographies, 139 dessins dans le texte). Il fallait, comme auparavant, rechercher une illustration équilibrée et aussi complète que possible des figures mythologiques présentées ici; mais, s'agissant du dernier volume, il convenait aussi de saisir cette ultime occasion de compléter l'illustration de certains articles déjà publiés en reproduisant, certes, de nombreux détails mais aussi des représentations d'ensemble. Par ailleurs, le nombre des renvois augmentant avec chaque volume, il a été possible de présenter davantage de documents moins connus ou inédits.

Ceci n'a été possible que grâce à la collaboration internationale généreuse des directeurs et conservateurs de musées, des éphories et surintendances, des écoles, instituts archéologiques et services des antiquités, ainsi que des collectionneurs et collègues du monde entier, auxquels nous tenons à exprimer à nouveau toute notre reconnaissance. Une fois de plus, ils ont bien voulu nous communiquer renseignements et photographies. La plupart des musées ont accepté de renoncer à leurs droits de reproduction; parfois même, ils nous ont donné des illustrations, soit à un prix réduit, soit gracieusement.

Sans cette collaboration des institutions et des particuliers, qui dure depuis plus de vingt ans, ces huit volumes de planches n'auraient jamais pu voir le jour avec une telle constance dans la qualité et la diversité du matériel reproduit. Nous exprimons aujourd'hui à la communauté scientifique toute entière notre gratitude pour avoir ainsi contribué à la réalisation du *Lexicon*.

Le tome VIII sera bientôt complété par des *Indices* – qui seront donc sans illustrations – mais nous pensons d'ores et déjà à explorer ensuite d'autres aspects de l'iconographie mythologique et espérons pouvoir alors retrouver auprès des musées et institutions du monde entier l'accueil généreux et enrichissant pour tous qu'ils nous ont réservé jusqu'ici.

LILLY KAHIL
Secrétaire général du
Lexicon Iconographicum Mythologiae Classicae

★

Note: Afin de limiter les erreurs dans toute la mesure du possible, nous avons cité en allemand, anglais, français ou italien les musées des pays qui utilisent ces langues; les noms des autres villes et musées ont été traduits en français.
